CMO, Snowflake

Hello AI Data Cloud Partners,

We are excited to announce that Snowflake Summit 2025 will return to Moscone Center in San Francisco from June 2-5, 2025!

Network, learn and grow with Snowflake engineers, product managers, customers, partners and industry peers during our can't-miss, four-day event for AI, apps and data. Experience the latest and greatest in AI, gen AI, application development and more through hundreds of educational and collaboration opportunities with 20,000 attendees. Tap into the power of the Data Cloud community to discover innovative ways to strengthen your data and AI strategy and new opportunities for growth.

Our ecosystem of Snowflake partners is crucial to our success. Thank you for your continued partnership.

We look forward to seeing you in June 2025!

WHY SHOULD YOU ATTEND?

Snowflake Summit will deliver keynotes, sessions, hands-on labs and real-world industry case studies, so thousands of Snowflake customers and prospects can get the most out of the AI Data Cloud. TESTIMONIALS

“Snowflake Summit is a must-do event to learn, share and network with the largest group of thought leaders in today’s data ecosystem, while uncovering many opportunities to support clients in their data modernization and AI journeys.”

– **David Tharp**
SVP of Ecosystems and Alliances, Dataiku

“Snowflake Summit was a big part of our Capital One Software and Slingshot launch this year! From the conversations our leadership team had with Snowflake leaders and customers, to showing practitioners our product demos, Snowflake Summit was a success!”

– **The Capital One Software Team**

“Snowflake Summit is a can't-miss opportunity for us to get face-to-face with clients that are unlocking the power of their data with Snowflake. Sponsoring Snowflake Summit allows us to showcase our Snowflake expertise, learn about what's new in the Data Cloud, and make valuable connections with data leaders from around the world.”

– **Jeff Rummel**
Global Alliance Director, Slalom

“Another fantastic Snowflake Summit! Bringing together our partners, customers and colleagues is invaluable. We appreciated the opportunity to have conversations with industry experts and collaborate with one another.”

– **Blaine Dunham**
Director of Strategic Alliances, phData

“Snowflake Summit provided an unparalleled platform to showcase our data integration capabilities alongside Snowflake's powerful data cloud to industry leaders, data professionals and enthusiasts. Summit has become a premier gathering for data-driven organizations, offering a unique opportunity to stay at the forefront of the evolving data landscape. We look forward to unveiling our latest innovations this year – including the Matillion Data Productivity Cloud – engaging in thought-provoking discussions and forging new partnerships.”

– **Mark Johnston**
CMO, Matillion

All opportunities have an eligibility component and will be reviewed by the Partner Marketing Team.

2

APPLY TO PARTICIPATE

Complete the [application form](#) to secure an eligible spot. Participation is subject to Snowflake's approval.

3

SIGN CONTRACT

Snowflake's event partnership contract will be routed via DocuSign to your signatory after the [application form](#) is received and the eligibility and placement has been confirmed. Docusign envelopes expire after 30 days.

4

RECEIVE INVOICE AND EXECUTE

Invoices will be sent shortly after contract execution and will be due starting January 2025.* Full payment must be completed prior to June 2, 2025. Partners will receive access to the event partner portal to manage tasks and deliverables.

TERMS AND CONDITIONS

Thank you for your interest in partnering with us at a Snowflake Event (“Event”)

PARTNER OPPORTUNITIES

Snowflake may make changes to the Event at any time prior to the commencement. Snowflake will notify Partner of material changes.

DEADLINES

Partner agrees to adhere to reasonable deadlines set by Snowflake for the Event, including deadlines for submission of Partner information for use in promotion and production. Snowflake reserves the right to reduce Partner’s benefits if Partner is unable to meet deadlines.

HEALTH AND SAFETY; ASSUMPTION OF RISK

Participating in in-person events is voluntary, and participants will be required to meet any government-mandated health and safety requirements (including vaccination requirements), or any health and safety requirements imposed by the host or venue, to attend. Partner (including on behalf of its participants) acknowledges and agrees that: (i) there may be inherent risks with attending in-person events and (ii) in-person event participation includes possible exposure to and illness from infectious diseases. Partner has notified its participants of the risks associated with attending the Event.

OUTSIDE MARKETING ACTIVITIES

During the event dates, any partner branding (e.g., branding of items, vehicles, billboards, and the like) or utilization of external paid advertising services that are placed in or adjacent to, or within one mile of, the event location, if not provided as part of the Event Partner’s package and/or approved by Snowflake in advance of the event, will be deemed to be a violation of the obligations outlined in the Conduct of Event Partner as stated in the Event Partner Terms and Conditions.

PAYMENT

The Event Partner Application Form will specify the fees and expenses associated with your chosen level of sponsorship for the Event. Snowflake reserves the right to revoke or prevent Event participation for failure to pay all amounts due prior to the start of the event.

ATTENDEES

Snowflake does not guarantee any specific level of in-person attendees at the Summit event. In past years, the number of attendees have included both in-person and virtual registrants.

Please refer to the Event Partner Terms and Conditions for details. In case of conflict, the Event Partner Terms and Conditions control.
